Note:

Please allow a minimum of seven days from receipt of your application before approval may be granted
Compliance with the conditions of this Application does not relieve a person from liability for any loss or damage caused by a fire lit under the authority of the Permit.

Conditions to be adhered to once a permit has been issued:

- Contact Council before lighting the fire
- Only burn between the hours of 10am and 3pm Monday to Friday and Saturday. Sundays and public holidays are not permitted
- Ensure a space immediately around and about the fire is cleared of all flammable material to a distance of at least four (4) metres
- Ensure a sufficient supply of water to extinguish the fire is on hand at all times
- Ensure a person (over the age of 16 years) who is able to control the fire is present at the site of the fire from the time it is lit to the time it is completely extinguished
- Only dry timber, timber derivative, dried grass clippings or dried weeds may be burnt. No rubbish or other materials are permitted
- Don't burn timber with any chemical preservatives (eg Permapine, creosote). Burning any prohibited substances is also illegal
- Consider your neighbours and let them know of your intention prior to lighting the fire where smoke is likely to cross their property. People's health may be adversely affected by smoke
- If asked by a CFS or Council officer to extinguish the fire you must comply
- Remember, no fires are permitted on a total fire ban day under any circumstances
- Before burning off, check the CFS and EPA websites for any further conditions in your area
- In an emergency contact 000
