

THE GREAT BREAKAWAYS BOLT REPORT

Clair Alford, Event Officer

The GREAT Breakaways Bolt is in its sixth year and is a testament to the community spirit that is still alive in Coober Pedy today. There was some doubt that this event would run with only 14 people registered the day before forms were due, but fortunately a rush of entries came in at the last minute.

The 'Bolt' used the same track as in previous years, starting at Breakaways Lookout One, following the dog fence, travelling along the Oodnadatta track into town via Flat Hill Road. Participants had the option of running, walking or cycling (or a combination of the three) 5, 10, 15, 20 or the full 35km. All participants made it back before the cut off time of 5½ hours. The weather was good for those running or walking, with many participants going further than they thought possible. Unfortunately for cyclists a head wind for part of the way made riding difficult.

There were many impressive results; especially the younger cyclists who rode the full 35km: Sebastian Clark, Hugh Bulotano, Joshua Carboni, Kasey Watt and Ishka Maat. Special mention also goes to Anna Bootle and Jesse Fairfull who cycled, ran & walked the whole distance to the oval. Once again Jimmy Nikoloudis was the first walker across the line with the time of 4hr 29min (almost ¼ hour quicker than last year). This year a number of female runner & cyclists completed the 35km quest.

When participants reached the oval they were greeted by Sue Radeka with a selection of warm foods & drinks and Sharyn Baines (Shaz's Massage Therapy) who performed leg massages to help participants recover. The day concluded with presentations.

This year the money raised from entry fees & donations (\$2,600) will be donated to the Coober Pedy Karate Club Inc to help with the purchase of equipment. Well done to everyone who was involved in the fundraising efforts.

A huge thank you goes to all of the 30+ volunteers who freely gave their time for this event; it could not have happened without you. A special thanks to Jayde for your support and meticulous record keeping which made this event easy to organise. Thanks also to the Ambulance Officers, CFS and Coober Pedy Police Officers who patrolled the track and made sure everyone was safe.

Thanks also goes to all our sponsors who help make this event possible every year. Major sponsors for 2014 were:

Arrium Mining	Carters IGA	District Council of Coober Pedy	Exact Mining

MAYORS REPORT June 2014

Mayor Steve Baines

I would like to acknowledge the passing of Councillor Robin Walker.

Robin was a kind and generous man and a passionate advocate for the community in which he lived. He worked tirelessly to ensure that the youth of Coober Pedy were catered for and was a great crusader for equality.

I am sure you will join me in extending our sincere condolences to Robin's family.

I have received a framed certificate of appreciation from the Ulysses Club Inc, Alice Springs AGM Event Committee for Council's sponsorship of the event.

The local business owners that I have spoken to advise that the event generated plenty of traffic and resulted in a significant boost to our towns economy. Motorcycles were still exploring the region several weeks before and after the AGM event and many have indicated that they will return at a later date to explore Coober Pedy and surrounds further. All in all I believe Council's sponsorship of the event was extremely successful and will continue to reap rewards into the future.

The Mayor verbally added to his report.

I attended the Coober Pedy Saints 10th anniversary celebrations on Saturday night and accepted a plaque of appreciation on behalf of Council for Council's continued support of the club over the past 10 years.

I present the plaque to Council.

Notice is hereby given that as part of the 2014/2015 Budget considerations, Council has now developed its Draft Annual Business Plan. Council is also required to undertake community consultation as part of the budgetary process so that it may brief and take submissions from the community for consideration in preparing its final budget for the 2014/2015 financial year.

To achieve this Council will be holding a public meeting as follows:

Date & Time: Wednesday 9th July 2014 at 5.30 pm
Location: Council Chambers

Hard copies of the draft 2014/2015 Annual Business Plan are now available for inspection (free of charge) or purchase (at a cost of \$10) from the front counter of Council or can be downloaded from Council's website www.cooberpedy.sa.gov.au

Council invites submissions which may be forwarded to Mr Damien Clark, Finance & Administration Manager, District Council of Coober Pedy, PO Box 425, Coober Pedy SA 5723, or by email to dclark@cpccouncil.sa.gov.au and should be received no later than close of business on **Monday 14th July 2014.**

A Program of Events for the Centenary Year is now available from a range of locations both in Coober Pedy and on the road from North to South.

One of the highlights of Coober Pedy's centenary next year will be a Reunion on Sunday April 5th at the Coober Pedy Area School.

The Centenary Committee wants it to be a huge event, bringing together some of the great characters who have contributed to Coober Pedy's colourful history.

Mayor Steve Baines says Coober Pedy is famous for being a unique place because so many unique people have lived here over the years. "Coober Pedy has always attracted very special people, often a bit different from the mainstream, and the effect of that over the past 100 years has made the town what it is today", he said. "I don't think there's anywhere else in Australia quite like Coober Pedy and I know there are hundreds, if not thousands, of past residents who'd agree with me. It's the people who make the town, and we want as many of those people as possible to come back here for the Reunion Lunch. I think we're sure to see some long-lost friends get together again in the true spirit of the town, which would be a wonderful thing".

The reunion will be the culmination of an action-packed and exciting week which also includes a Centenary Street Party on April 2 with food and live music; the 100-Year Ball on April 3; the Opal Festival on April 4 and the Coober Pedy Gem Trade Show on April 4 and 5.

Visitors of the Month

Jan Clark & John Dawson

Visitors encountered a huge and 'friendly' snake, travelling to Coober Pedy on the William Creek Road. What a great wild life experience!

Jan Clark and John Dawson from the Blue Mountains in NSW have been travelling through the Flinders Rangers. As they were heading towards Coober Pedy on William Creek Road they spotted a large snake slithering across the road & pulled over to get a photo. Jan says she couldn't believe how inquisitive the snake was, even coming towards them and checking them out.

Thanks to comments on our Facebook post we have identified the type of snake - **Woma Python**

Woma Pythons can reach a length of 2.3m and are a stocky, robust medium sized python. They are found over much of arid Australia. For more information visit: www.designerserpents.com.au

2014 SA Accredited VIC Conference

Desrey Jones, Tourism Officer

I recently attended the Accredited Visitor Information Centre Conference in Kangaroo Island from Tuesday 20th - Friday 23rd May 2014 as a part of the accreditation requirement of SATC.

This years annual Accredited Visitor Information Centre Conference was held in Kangaroo Island and was attended by more than 40 delegates from all over South Australia. There were some really great speakers, including Sealink Business Development Manager Mike Furber who spoke on improving financial performance in VIC's, CEO Rodney Harrex who presented a talk on 'South Australian Tourism Commission'.

I got the most out of the VIC 'initiative' where all VIC representatives presented a short talk on one idea we have come up with at our VIC. I presented 'visitor of the month' which goes in our local newspaper, Facebook & Council newsletter. In brief, what I do is take photos of several tourists throughout the month and get their story - where they are from, where they have been, any interesting facts about themselves and how they are spending their time in Coober Pedy. At the end of the month one visitor is chosen and their story distributed to various media outlets. A copy is then sent to the visitor as a memento of their time spent here and as free advertising for the town. Another benefit from showcasing visitors to the town is it helps make locals aware that people travelling through our town are vital for Coober Pedy's sustainability and that visitors have great stories. It also makes visitors feel more involved in the town and gain understanding of tourism based projects. I have received some encouraging feedback from several VIC managers that attended, telling me they are going to try this at their VIC.

There were some really great ideas from a lot of the centres some of which I found to be very helpful. There were some ideas shared that weren't particularly useful for Coober Pedy specifically but I think the exercise of sharing everyone's different ideas openly provides an opportunity to gain feedback, think about the ideas in more depth and change your perspective or improve on the idea by changing certain aspects to suit your specific VIC.

The Youth Shed was very fortunate to have visitors from the Royal Australian Air Force.

We were spoilt by being taken out to the airport to look at an aeroplane! Some of the young people that came to the Airport had never been inside of a plane before.

The two pilots were female and their names were Flight Lieutenant Anna Watson and Flying Officer Aimee Mocatta.

We had to be lead out to the aeroplane, single file, in two separate groups.

Each young person got to sit in the cockpit and look at all the gadgets!

It was fantastic! We would like to say a really big thank-you to Squadron Leader Darren Shorter & Sergeant Trevor Seebohm for organising the trip.
